

Is your organization on target for fund raising?

**HFP Racing has fund raising
solutions that are:**

- one day only**
- every parent & student earns \$\$**
- fun, exciting, outdoor setting**

Volunteers consisting of students, parents and advisors earn a stipend \$10 per person per shift, and a free t-shirt for helping triathlon participants at races. Volunteering involves passing out timing chips, water and trophies, preparing race food, body marking, registration and other duties. HFP Racing has events scheduled each weekend from May through October, in Ohio and surrounding states. View the schedule at:
<http://www.hfpracing.com/events>

To inquire about signing up your organization for volunteering, please send Daniel Davis a reply email with the following information:

- Your organization's name, contact person, and phone number
- Name and date of the race your group would like to work
- Second choice
- Any special needs or physical limitations

We look forward to new groups joining us this year, and send out special thanks to all of our returning volunteers!
